---

1. Are you currently employed by or attending a university or any PRC government-affiliated organization in the PRC, Hong Kong, or Macao? Government affiliated organizations include research centers, think tanks, military or police, etc. If yes, please describe and give a date of your anticipated separation.

2. What is your current position in the PRC? What were the last two (2) positions you held? List the name and address of each employer. Do you still have any contact with, or obligation to, any of these employers? If yes, please describe below.

**Current/Most Recent Position Title and Employer Address:**

**Second Most Recent Position Title and Employer Address:**

3. Do you anticipate regular communication with anyone from the PRC while studying or working in the United States? List the contact information of all mentors, close contacts, or Chinese government officials you anticipate maintaining contact with.

4. Have you been approached by any person or government agency in the U.S., PRC or in a third location with the intent to recruit you to collect information while staying in the United States? If yes, give the names, locations and dates of contact and explain in full detail the nature of the request. Attach a separate sheet if necessary.
